DAWG® CAMP

classic city

September 4 - 6, 2020
Dawg® Camp Classic City is designed to coincide seamlessly with Dawg® Camp Discovery. After Discovery, Classic City participants will have continued programming.

Centered around service and social consciousness, participants have the special opportunity to participate in local service projects alongside Athens non-profits. While learning about their new Athens-Clarke County community, Dawg® Camp Classic City participants develop leadership skills and learn about service-based involvement opportunities during their time at UGA®.

Participants develop close friendships and explore campus so they’re ready for their time as a Georgia Bulldog®!

THE PLACE TO Serve
